

# Snowmobile & Ice Safety Webinar

This lesson is targeted to Grades 6-12 classes and will increase the student's knowledge of Snowmobile safety, safe and proper helmet use, safe and respectful use of trails and facilities and ice safety.

*Date: Tuesday, February 11, 2020*

*Time: 1:15p.m. – 2:15p.m.*

*Instructor: Rob Ferland*

*Cost: Free*

*Students who complete the evaluation after watching the webinar will be entered into the prize draws for Snowmobile Gear!*

*Note: This webinar does not replace the SK Snowmobile Safety Course. The full course can be accessed by contacting the SK Snowmobile Association [www.sasksnow.ca](http://www.sasksnow.ca)*

This webinar is made possible thanks to the partnership with Saskatchewan North Acquired Brain Injury Outreach Team, Peter Ballantyne Cree Nation Health Services, Saskatchewan Snowmobile Association and Keewatin Community Development Association.
